**Acceava®**

The Acceava® range of brands provides point-of-care testing for the rapid diagnosis of infectious disease and determination of pregnancy.

These are well-established and well-trusted brands which provide simple, fast and accurate diagnostic test results which all healthcare professionals whether in laboratories, hospitals or individual offices can rely on. For example, the Acceava® Strep A tests delivers excellent sensitivity and specificity for the diagnosis of Group A Strep with a simple, easy-to-use test that provides an answer in six minutes.
